

New Guidance Released: "100 Questions for Assessing Compliance to SR 10:2024"

[IQNET Association](#)'s Social Compliance Technical Advisory Group has launched a new document, "100 Questions for Assessing Compliance to SR 10:2024."

The document provides organizations and SR 10 Licensed Partners with a practical guidance to assess compliance with SR 10:2024 through 100 focused questions. It's designed to support self-assessments, audits, and gap analyses, helping users pinpoint strengths, address weaknesses, and drive continuous improvement in their social responsibility management systems.
